I,_____, am requesting water service from Rural Water District No. 6, Garvin County. I understand the fee of $200.00 is NON-REFUNDABLE for the water district's engineering firm to do a Hydraulic Analysis to determine eligibility for water service at the describe location above.

If the application is approved I understand other charges will be required to obtain service.

I understand that all fees for membership, installation and road bores must be paid in full before service will be installed.

Time of installation is subject to all requirements of permits, easements, weather conditions, emergencies and work schedule of the district.

☐ Payment received
