SHERRI HARRELL-SECRETARY-TREAS LANEA DILL-MEMBER DAVID MERCER-MEMBER

Dear Applicant,

Engineering Worksheet, Developer, RV and Plex Agreements need completed by the New Owner and returned along with a copy of the Warranty/Property DEED. Make sure you complete the estimated monthly water usage on the Application for Service as everything goes through our engineer. There will be a $200 engineering fee that will need paid before we send the information to our engineer.

The Developer, RV and Plex Agreements are enclosed in case you have intensions to develop the property. If you have NO intensions to develop, please write N/A and SIGN each of the agreements and return. If you are planning on developing the property, please follow the instructions on the agreement that fit those criteria.

Even if you are not going to use the Developer, RV or Plex Agreements we still need them returned to complete the documents to complete the file.

If approved we will need more documentation completed and payment for the new service before we proceed with the installation (These will be provided after approved).

If you have any questions contact our office at 405-665-4436. Our website is rwd6gc.com and email rwd6gc@rwd6gc.com.

Thanks

Kimberly Hicks
