Dear New Owner,

Water User Agreement, Application for Service, make sure you complete the estimated monthly water usage on the Application for Service (this was on the Engineering Worksheet). We need payment in full (to be determined, by location) before we install your water service.

There is a bank draft form enclosed in case you would like to pay each month by auto draft. It will come out around the 17th of each month; you will still get a bill, but it will say "Draft Do Not Pay".

Please place the Blue flag we give you in the area you would like your water service installed. We will install your water service just off our mainline, as close as possible to the blue flag.

The welcome letter, reconnect fee letter, copy of the board meeting dates and the By-Laws Rules and Regulations booklet are for you to keep.

If you have any questions contact our office at 405-665-4436. Our website is rwd6gc.com and email rwd6gc@rwd6gc.com.

Thanks

Kimberly Hicks
