Dear New Owner,

Water User Agreement, Application for Service, Developer, RV and Plex Agreements need completed by the New Owner and returned along with a copy of the Warranty/Property DEED. Make sure you complete the estimated monthly water usage on the Application for Service as everything goes through our engineer. There will be a $200 transfer fee that you can pay now or can be added to the account for the next billing period. There is a bank draft form enclosed in case you would like to pay each month by auto draft. It will come out around the 17th of each month, you will still get a bill but it will say "Draft Do Not Pay".

The Developer, RV and Plex Agreements are enclosed in case you have intensions to develop the property. If you have NO intensions to develop, please write N/A and SIGN each of the agreements and return. If you are planning on developing the property, please follow the instructions on the agreement that fit those criteria.

Even if you are not going to use the Developer, RV or Plex Agreements we still need them returned to complete the documents to complete the file.

The welcome letter, reconnect fee letter, copy of the board meeting dates and the By-Laws Rules and Regulations booklet are for you to keep.

If you have any questions contact our office at 405-665-4436. Our website is rwd6gc.com and email rwd6gc@rwd6gc.com.

Thanks
