# RURAL WATER DISTRICT NO. 6, GARVIN COUNTY

P.O. BOX 636 WYNNEWOOD, OK. 73098
PHONE (405) 665-4436 FAX (405) 665-4130

Welcome,

We'd like to take this time to welcome you as a Member to Rural Water District No. 6, Garvin County and tell you a little about us. Our District has over 800 miles of line and located in Garvin, Murray Counties and now entering McClain County. We employee four full-time field employees, two office workers and Manager. Our Office is located at 39705 Highway 29 in Wynnewood, Ok 73098. Our hours are from 8:00 a.m. till 5:00 p.m. Monday through Friday. Our office is closed most holidays.

We have By-Laws and Rules & Regulations (a copy is enclosed) to govern how we handle certain matters. Our employees will assist you with anything not addressed in this book, but if a problem occurs we cannot address, we have a Board of Directors consisting of five District Members that meet once a month, and you can bring your concerns to them at any time. These meetings are open to our Members and you are welcome to attend. If you would like to be placed on the agenda call the office to make that request.

Our main phone number 405-665-4436 is a 24-hour number you can leave a message after office hours, and we will call you back on the next business day. If it is an emergency one of our employees is on call after hours. If you need us you should be able to reach us at any time.
Our email address is rwd6gc@rwd6gc.com and our web site is rwd6gc.com.

If you notice any problems with your water pressure, or anything out of the ordinary we would appreciate your notifying us as soon as possible. Sometimes this is the only way we know a problem has occurred in your area. We serve around 1,400 customers and with our limited resources we depend on you, as owners, to let us know if you are experiencing problems. If you notice standing or running water we issue a $20 reward for reporting (call the office) a mainline leak in a specific spot.

We want you to have a friendly working relationship with all our employees. We are here to bring you the safest and most economical water possible. Please feel free to call us at any time with any questions you might have.

In this packet we have enclosed a few of the policies we have adopted and hope you will look over the material and we will try to explain any you do not understand.

Sincerely,
The Board of Directors and Employees
Rural Water District No. 6, Garvin County
